

TM5-MP - Task #442

New diagnostics for AerChemMIP and CRESCENDO

01/28/2016 12:48 PM - Twan van Noije

Status:	Closed	Start date:	01/28/2016
Priority:	Normal	Due date:	
Assignee:		% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
New diagnostics are required for AerChemMIP and CRESCENDO.			
The diagnostics proposed for AerChemMIP can be found at https://wiki.met.no/aerocom/aerchemmip/diagnostics . The requirements for CRESCENDO will be finalized before May 2016, and will be a selection of the variables required for AerChemMIP, with a limited number of additional variables for specific evaluation tasks.			

History
